About the Ensembles

The Jazz Ensembles are comprised of instrumentalists from KSU and the community by audition. The ensembles perform a great variety of styles and composers, performing six times yearly. Recent performances have included programs of Brazilian and Latin jazz, swing concerts, music from the musical theatre, jazz rock, and retrospectives of such composers as Duke Ellington, Stan Kenton, Count Basie, and others.

Membership in the ensembles develop general jazz performance and improvisational skills, giving students the flexibility to meet the varying demands of today’s musical world. These goals are pursued through rehearsals, workshops, and performances of the full jazz ensembles as well as numerous small combos.
