Hog Hammock Library Opens on Sapelo
Hog Hammock Library opens on Sapelo

On Saturday, December 9, the Three Rivers Regional Library System formally dedicated the Hog Hammock Public Library on Sapelo Island. Novelist and journalist Tina McElroy Ansa was the featured speaker.

Housed in a blue, two-room building that formerly served as the island’s school, the library will supplement its own collection by bringing full PINES accessibility to the 60-plus permanent residents of Hog Hammock as well as to the state workers who live on the island part time.

Attendees at the dedication ceremony demonstrated their support for the new library by purchasing book bags decorated with its logo. The popular fund-raising items feature a proud Geechee woman holding a rice fanner basket. The logo was created by Jim Denk, an award-winning designer with The Charlotte (N.C.) Observer.

The Rushdie papers include multiple drafts of all of Rushdie’s novels and other writings from Grimus (1975) to Shalimar the Clown (2005), including manuscripts of two unpublished novels and other writings. The papers also contain a large quantity of correspondence with a wide literary circle, materials documenting Rushdie’s life under the fatwa, notebooks and journals maintained since 1973, photographs, and other related personal and literary papers. Once processing is completed, the Salman Rushdie papers will be the primary resource for all subsequent studies of Rushdie’s life and work.

The Rushdie archive will be housed in the Manuscript, Archives and Rare Book Library (MARBL) of the Robert W. Woodruff Library. For more information, please contact MARBL at MARBL@emory.edu or call 404-727-6887.
