INFORMATION FOR CONTRIBUTORS**EDITORIAL POLICY**

Members of the Society of Georgia Archivists, and others with professional interest in the aims of the society, are invited to submit manuscripts for consideration and to suggest areas of concern or subjects which they feel should be included in forthcoming issues of *Provenance*.

Manuscripts and related correspondence should be addressed to Sheryl B. Vogt; Editor, *Provenance*; Richard B. Russell Memorial Library, University of Georgia Libraries, Athens, GA 30602.

Manuscripts received from contributors are submitted to an editorial board. Editors are asked to appraise manuscripts in terms of appropriateness, scholarly worth, and clarity of writing.

Accepted manuscripts will be edited in the above terms and to conform to the University of Chicago *Manual of Style*.

Manuscripts are submitted with the understanding that they have not been submitted simultaneously for publication to any other journal. Only manuscripts which have not been previously published will be accepted, and authors must agree not to publish elsewhere, without explicit written permission, a paper submitted to and accepted by *Provenance*.

Two copies of *Provenance* will be provided to the author without charge.

Letters to the editor which include pertinent and constructive comments or criticisms of articles or reviews recently published by *Provenance* are welcome. Ordinarily, such letters should not exceed 300 words.

Brief contributions for Short Subjects may be addressed to Glen McAninch, Public Records Division, Kentucky Department for Libraries and Archives, P.O. Box 537, Frankfort, KY 40602-0537.

Books for review should be sent to Bill Sumners, E. C. Dargan Research Library, 127 Ninth Avenue, North, Nashville, TN 37234.

Manuscript Requirements

Manuscripts should be submitted in double-spaced typescripts throughout--including footnotes at the end of the text--on white bond paper 8 1/2-x-11 inches in size. Margins should be about 1 1/2 inches all around. All pages should be numbered, including the title page. The author's name and address should appear only on the title page, which should be separate from the main text of the manuscript.

Each manuscript should be submitted in three copies, the original typescript and two copies.

The title of the paper should be accurate and distinctive rather than merely descriptive.

References and footnotes should conform to accepted scholarly standards. Ordinarily, *Provenance* uses footnote format illustrated in the University of Chicago *Manual of Style*, 13th edition.

Provenance uses the University of Chicago *Manual of Style*, 13th edition, and *Webster's New International Dictionary of the English Language*, 3d edition (G. & C. Merriam Co.) as its standard for style, spelling, and punctuation.

Use of terms which have special meanings for archivists, manuscript curators, and records managers should conform to the definitions in "A Basic Glossary for Archivists, Manuscript Curators, and Records Managers," *The American Archivist* 37, 3 (July 1974). Copies of this glossary may be purchased from the Society of American Archivists, 600 S. Federal Street, Suite 504, Chicago, IL 60605.
