EDITORIAL POLICY

Members of the Society of Georgia Archivists, and others with professional interest in the aims of the society, are invited to submit manuscripts for consideration and to suggest areas of concern or subjects which they feel should be included in forthcoming issues of PROVENANCE.

Manuscripts received from contributors are submitted to an editorial board. Editors are asked to appraise manuscripts in terms of appropriateness, scholarly worth, and clarity of writing.

Accepted manuscripts will be edited in the above terms and to conform to the University of Chicago Manual of Style.

Only manuscripts which have not been previously published will be accepted, and authors must agree not to publish elsewhere, without explicit written permission, a paper submitted to and accepted by PROVENANCE.

Two copies of PROVENANCE will be provided to the author without charge.

Letters to the editor which include pertinent and constructive comments or criticisms of articles or reviews recently published by PROVENANCE are welcome. Ordinarily, such letters should not exceed 300 words.

Brief contributions for Short Subjects may be addressed to Glen McAninch, Special Collections and Archives, King Library North, University of Kentucky Libraries, Lexington, KY 40506.

Books for review should be sent to Martin Elzy, 1408 Quail Hunt Drive, Riverdale, GA 30296.
Manuscript Requirements

- Manuscripts should be submitted in double-spaced typescripts throughout—including footnotes at the end of the text—on white bond paper 8 1/2 x 11 inches in size. Margins should be about 1 1/2 inches all around. All pages should be numbered, including the title page. The author's name and address should appear only on the title page, which should be separate from the main text of the manuscript.

- Each manuscript should be submitted in two copies, the original typescript and one carbon or durable photocopy.

- The title of the paper should be accurate and distinctive rather than merely descriptive.

- References and footnotes should conform to accepted scholarly standards. Ordinarily PROVENANCE uses footnote format illustrated in the University of Chicago Manual of Style, 13th edition.

- Use of terms which have special meanings for archivists, manuscript curators, and records managers should conform to the definitions in "A Basic Glossary for Archivists, Manuscript Curators, and Records Managers," American Archivist 37, 3 (July 1974). Copies of this glossary are available for $2 each from the Executive Director, SAA, 600 S. Federal St., Suite 504, Chicago, IL 60605.
