## Make Some History in Class Today

When students travel back in time with noted historians, or hear opposing viewpoints analyze critical contemporary issues, they encounter the people, places, events, and stories that shape our world and our future.

**The African Americans: Many Rivers to Cross** engages with:

- five centuries of remarkable historic events right up to the present
- highlighting the tragedies, triumphs, and contradictions of the black experience

**The African Americans: Many Rivers to Cross**

**DVD**
