Benefits

- Increasing visibility of scholarly and creative accomplishments of students, faculty and staff
- Contribute to the work, mission of campus offices
- Foster experimental spirit, creative thinking
- Create teachable moments for students to learn about their rights as authors
- Increasing understanding of open access movement and how we can contribute
Sustainability for Success

- Identify stakeholders
- Define what success means to them
- Communicate to engage stakeholders
- Set reasonable goals
- Adopt multifaceted assessment mechanisms
- Share funding
- Use available talent and skills in the organization
- Seek out new opportunities
