# CARE ROADMAP

## ASCENDING TO COLLEGE

CARE RoadMap is designed for **those who are doing the work to make a difference** but need access to the tools, network, and ideas to do the work more effectively.

### ASCENDING TO COLLEGE

As a K-12 and/or higher education professional, learn how high schools and colleges can **collaborate intentionally** to help students who have experienced homelessness and/or foster care successfully transition into higher education.

#### Commitment: You'll Receive:

- 1-day virtual training
- (6) 1-hour check-ins following training
- One-on-one training
- Custom workbook
- Virtual Document Library available for a licensing fee

#### The Benefit

Alongside your **CARE RoadMap Trainer**, design a comprehensive model of support to help students **transition from high school to college.**
