OVERWHELMED BY RESEARCH?

The library can help. Join a librarian for a free instruction session to help you find the sources that you need to write your next research paper. We will show you how to maximize your time by using SuperSearch. Learn how to evaluate sources and find exactly what you need. Get books or articles from other schools. We'll help you do your research.

Stop by room 309 in the library during one of these open sessions:
September 18 ~ 2PM September 23 ~ 11AM
October 10 ~ 6:30PM October 22 ~ 9AM
November 5 ~ 5PM November 8 ~ Noon

Instruction Fact

Sturgis Librarians have given over 300 library instruction sessions so far this year.

STURGIS STUDENT EMPLOYEE OF THE MONTH AUGUST 2013 - DESIREE DAVIS

Desiree, a sociology major, has been working in the Interlibrary Loan Department at the Horace W. Sturgis Library for about a year and six months. She is from Augusta, GA and enjoys going to concerts, thrifting, relaxing in her hammock, and watching Netflix. Her hobbies include collecting art, collecting records/vinyls, and reading.

She notes, "What I enjoy most about working within the library is its positive environment."

Currently, her favorite book is "The Electric Kool-Aid Acid Test" by Tom Wolfe.

August is **National Peach Month**. According to fillyourplate.org the following are fun facts about peaches:

- Peaches are a good source of vitamins A, B and C and a medium peach contains only 37 calories.
- So many peaches are grown in Georgia that it became known as the Peach State.
- California produces more than 50% of the peaches in the United States (and grows 175 different varieties).
- Columbus brought peach trees to America on his second and third voyages. Be sure to check out websites like Pinterest for delicious recipes featuring peaches this month!
