*How many ways can you get research help?*  
There are five different ways that you can get reference help. First, you can walk-in to our Research Clinic located in room 113 in the Information Commons on the first floor of the Sturgis Library.

Second, you can text your reference question to (770) 983-6547.

Third, you can call us at (770) 423-6325.

Fourth, you can schedule a one-on-one appointment with a **Reference Librarian**.

(These appointments must be made at least 72 hours in advance.)

Fifth, you can chat online with a librarian almost anytime, day or night. The "Live Help" box can be found on nearly every page of our website.

**45%** of American adults make one or more resolutions each year.

Among the top new years resolutions are about weight loss, exercise, and to stop smoking. Also popular are resolutions dealing with better money management/debt reduction.

### Spotlight - Student Assistant of the Month January

**Chris Hanner**

Originally from Florida, Chris Hanner has worked in the Sturgis Library for three years assisting patrons at the Help and Information Desks. When not taking classes towards his Accounting major, he enjoys reading Shel Silverstein books, hanging out at the library with his friends and taking long walks on the beach. You can see Chris on many of the library's flyers and posters; there are probably more pictures of him in the library than Horace W. Sturgis.

*Did you know?* This issue of **THE THINKER** is the **anniversary edition**. The first issue was produced January 2013.
