INFORMATION FOR CONTRIBUTORS

David B. Gracy II Award

A \$200 prize is presented annually to the author of the best article in *Provenance*. Named for David B. Gracy II, founder and first editor of *Georgia Archive*, now *Provenance*, the award began in 1990 with volume VIII. It is judged by the *Provenance* Editorial Board.

The 2011 award went to Gregory Schmidt and Michael Law for “Functional Analysis and the Reappraisal of Faculty Papers: A Practical Application.” For past winners visit: <http://soga.org/publications/provenance/gracyaward>.

Editorial Policy

Members of the Society of Georgia Archivists and others with professional interest in the aims of the society are invited to submit manuscripts for consideration to *Provenance*. Manuscripts and related correspondence should be addressed to Editor Cheryl Oestreicher (provenance@soga.org). Review materials and related correspondence should be sent to Reviews Editor Jennifer M. Welch (welchje@musc.edu). The Editorial Board appraises submitted manuscripts in terms of appropriateness, scholarly worth, and clarity of writing. Contributors should not submit manuscripts simultaneously for publication in any other journal. Only manuscripts that have not been previously published will be accepted, and authors must agree not to publish elsewhere, without explicit written permission, a paper submitted to and accepted by *Provenance*. Two complimentary copies of *Provenance* will be provided to all authors. For additional information visit: <http://soga.org/publications/provenance>.

Information for Contributors

Letters to the editor that include pertinent and constructive comments or criticisms of articles or reviews recently published by *Provenance* are welcome. Ordinarily, such letters should not *exceed* 300 words. Manuscripts should be submitted as Word documents. Text, references, and endnotes should conform to copyright regulations and to accepted scholarly standards. *Provenance* uses *The Chicago Manual of Style* 16th edition as its style standard. Use of terms which have special meaning for archivists, manuscript

curators, and records managers should conform to the definitions in Richard Pearce-Moses, ed., *A Glossary for Archivists, Manuscript Curators, and Records Managers* accessible at <http://www.archivists.org/glossary/>.
