The American Memory Project  
[memory.loc.gov](http://memory.loc.gov)

American Memory provides free and open access through the Internet to written and spoken words, sound recordings, still and moving images, prints, maps, and sheet music that document the American experience. It is a digital record of American history and creativity. These materials, from the collections of the Library of Congress and other institutions, chronicle historical events, people, places, and ideas that continue to shape America, serving the public as a resource for education and lifelong learning. <http://memory.loc.gov/ammem/about/index.html>

## Meet the Library Staff!

Hi! My name is Lillie Barber and I'm the Sturgis Library's friendly Information Desk and GIL Express Paraprofessional. I enjoy helping people and teaching them about our services like Gil Express.

I am the mother of three adult boys and grandmother of five. I have two sisters - and I have middle child syndrome.

I am a big fan of the Florida Gators, Miami Dolphins, and of course the Kennesaw State University Owls!

My favorite book is the Picture of Dorian Gray by Oscar Wilde. The ending was great.

Learn more interesting facts about Lillie on our display in the Pilcher/Library lobby in August.

August is National Immunization Awareness Month. Getting ready for college or your future career means making sure you are up to date on all doses of the recommended vaccines—both to protect yourself and others around you. ~CDC.gov

Where can I get more information?

- Talk with your health care provider about which vaccines are right for you.
- Visit CDC's website on adult vaccination: [www.cdc.gov/vaccines/adults/index.html](http://www.cdc.gov/vaccines/adults/index.html)
- Take the CDC quiz to find out which vaccines are recommended for you: [www.cdc.gov/vaccines/AdultQuiz](http://www.cdc.gov/vaccines/AdultQuiz)
- Use the Healthmap Vaccine Finder to find vaccines: <http://vaccine.healthmap.org/>
