Research and Instruction Monthly

Vol. 3, Issue 5, May 2020

Welcome, Karen!

Karen Doster-Greenleaf joins KSU Library as the new Director for RIS. She began her library career at Florida State University where she earned her B.A. and MLIS as well. Since leaving Florida, she worked in Maryland (right outside Baltimore) and most recently as the Student Success Librarian at Georgia State University.

She's an avid runner, but also enjoys travel (farthest adventure was Australia & New Zealand), exploring farmers markets around the city, baking, and live music.

LibGuides De-Duplication Process

Rachel and Amy (with much assistance from Darian!) have reviewed about 2,000 assets owned by 18 different people so far. If you haven't heard from them yet, don't worry. They'll be in touch soon.

If you need a refresher on mapping content, recordings from past training sessions are available in the [Research Guides Toolkit](#). And as always, if you have any LibGuide questions, reach out to Amy.

Congratulations!
