I am going to graduate school to get a masters degree. I wanted an on campus job that allowed me to interact with others and expand my knowledge about what happens behind the scenes at KSU. I love that I get the chance to interact with so many people who attend KSU!

Take care of yourself!!! College is stressful and taking care of yourself is crucial in making sure you stay on track and do what needs to be done.

Congratulations to all KSU graduates and especially to Jordi Buchanan, a student assistant at Sturgis Library who will be graduating with a bachelors in Psychology and a minor in Criminology. Learn more about Jordi below!

What would you like to do after graduating?

Why did you become a library student assistant?

What do you like most about being a library assistant?

If you could give advice to any KSU student, what would it be?
