I must thank Kathleen Imhoff, Judith Gibbons, Christie Robinson and all the SELA members who have worked so hard to make this conference happen. You all have done an amazing job and we will all benefit from your efforts. And to our generous hosts from KLA - thank you for all that you have done for this conference. It looks like we are in for an amazing conference and we appreciate all that KLA members have done to make it happen.

I hope to see you all in Louisville in October. Not only will you learn a lot, meet a lot of fascinating people, you'll also have fun doing it. So, go to the conference page, fill out the registration form, renew your SELA membership if you need to, and make your hotel reservations. You won't want to miss this great opportunity!

Frankenthaler Scholarship awarded to Library Science Student from Georgia

Yuliya Kirilova Hadzhieva, a student working on her Masters Degree in Library Science at Clarion University in Pennsylvania, has been named the recipient of a \$1000 Ginny Frankenthaler Memorial Scholarship in Library Science awarded by the Southeastern Library Association.

Hadzhieva worked for more than ten years for libraries in Bulgaria before moving to Georgia in 2001. She worked for over five years at the international branch of DeKalb County Library System in Chamblee, Georgia. She is participating in a very structured library science program for two years and will receive her M.S.L.S. with a specialty in Special Information Centers at the end of 2008.

The **Ginny Frankenthaler Memorial Scholarship in Library Science** is made possible through the generosity of Bud Frankenthaler, husband of Ginny Frankenthaler. Mrs. Frankenthaler believed that our free library system is the basis for a good life and that the greatest gifts a human being can have are good memories and education, both of which are supplied free by our public library system.

CALL FOR NOMINATIONS FOR ROTHROCK AWARD

Purpose:

To honor a librarian who has contributed substantially to the furtherance of librarianship in the southeast during a career.

History:

The Rothrock Award was established in 1976 from the will of Mary Rothrock. It was sent to the SELA President on February 11, 1976, and stated, "I bequeath \$10,000 to the SELA, the income from which shall be used to establish a biennial award. The recipient of this award is to be designated by a committee of the Association from among librarians of the Southeastern States, and chosen for exceptional contribution to library development in the Southeast." The committee shall be appointed by the President of SELA and shall include librarians from varying member states of SELA. The recipient of this award has always been kept secret until the actual presentation is made during the conference.

Criteria:

1. The age and years of service should not be a deciding factor in the selection.
2. Service in one or more states of the southeast would qualify a person for nomination for the award.
3. The award should be made to only one person in any biennium, and, if no deserving person is nominated, an award may be omitted for that biennium.

4. Nomination must be made by a SELA member.

Process:

Submit nominations along with supporting biographical material, to any member of the Rothrock Award committee, listed below, by **August 15, 2008**. Within the cover letter, please provide name of nominee, nominee's phone/email, mailing address, and include a copy of nominee's curriculum vitae. HBCU NEWS

Six HBCU-ASERL Librarian Exchanges Announced

The HBCU Library Alliance and the Association of Southeastern Research Libraries (ASERL) announced the pairings for the 2008 HBCU-ASERL Librarian Exchange Program. This is the second time the two organizations have collaborated for this staff development program, again funded by a grant from The Andrew W. Mellon Foundation. The activity is part of the Alliance's ongoing initiative to provide leadership development opportunities for librarians from Historically Black Colleges and Universities (HBCUs).

Librarians from six HBCU institutions will spend two weeks each working at an ASERL library on a strategic issue identified by the HBCU librarian as important to HBCU library and campus.

The following matches were made via a careful selection process led by HBCU Library Alliance and ASERL staff:

- **Blanche Sanders**, Alcorn University, Lorman, MS
Project Overview: To Develop a comprehensive information literacy program
