## Mountain Regional holds celebrations

A communitywide celebration was held April 15 to say thank you to Union County citizens, Friends, library staff and elected officials for their respective parts in advocating for the Union County Public Library's renovation and addition project — the first building project in the Mountain Regional Library System in more than 20 years. Library Director Donna Howell recognized special guests, welcomed everyone and thanked them for coming to help the system celebrate. Attendees included Sen. Chip Pearson, Rep. Stephen Allison, Commissioner Lamar Paris, members of the building committee, Union County and regional library trustees and former Union County Librarian

Wilma Ash. The Union County event came one day after the Friends of the Libraries of Towns County celebrated National Library Workers Day by presenting every library staff member and regular volunteer working in Towns County — at both the Mountain Regional Library headquarters in Young Harris and the Towns County Public Library in Hiawassee — with a gift certificate to a local restaurant and a hand-crocheted bookmark made by Friends member Barbara Hale inside a personalized thank-you card. "It was a wonderful way to recognize the contributions of every library worker to the success of our libraries," said Howell. »»
