About Philharmonic

The Kennesaw State University Philharmonic is a non-auditioned orchestra open to all students, including both music majors and non-majors from across the campus. The orchestra performs a variety of string orchestra literature from many styles and musical time periods. In addition, each semester the orchestra collaborates with select members of the KSU Concert Band to form a full orchestra. Students interested in participating should contact the conductor, Professor Charles Laux, at claux@kennesaw.edu.

About Concert Band

The Kennesaw State University Concert Band was instituted in the Fall of 2007 as a second wind band ensemble on the campus. The band serves the needs of a growing instrumental music student population as a performing ensemble. In addition, some music students perform in the ensemble on a secondary instrument offering developmental diversity and experience. The Concert Band presents concerts each semester on the campus and the ensemble is open to any KSU student. No audition is necessary. Students may register for MUSI 1145 or MUSI 3345 for one hour credit. Dr. John Culvahouse conducts as well as selected outstanding students training to be teachers and conductors.
