**Roadside
GEOLOGY
of GEORGIA**

**PAMELA J. W. GORE AND
WILLIAM WITHERSPOON**

"A superb new book... which provides fascinating glimpses and details of Georgia's road cuts and other geological diversity, from the ever-changing barrier islands on the coast to the sandstone ridges in the remote northwest corner of the state."

— Charles Seabrook, *Atlanta Journal-Constitution*

ROADSIDE GEOLOGY OF GEORGIA

PAMELA J. W. GORE AND WILLIAM WITHERSPOON

In 35 detailed and densely illustrated road guides, *Roadside Geology of Georgia* examines the state's fascinating geology and reveals the stories that lie beneath the surface.
