Sixty-sixth Concert of the 2007-2008 season
Pi Kappa Lambda

Historical Sketch

Since the aim of the educative process is the stimulation of the student toward the highest level of achievement within his or her capabilities, outstanding accomplishment should be accorded particular recognition.

In an attempt to provide such recognition, the Alumni Association of the School of Music at Northwestern University in 1916 appointed a committee to consider the feasibility of installing an honor society in the field of music. Serving on the committee were Carl Milton Beecher, Louis Norton Dodge, and Walter Allen Stults. As a result of their labors, Pi Kappa Lambda was granted a charter by the State of Illinois in 1918.

The first member was Peter Christian Lutkin, Dean of the School of Music at Northwestern University. His initials in their Greek equivalents were selected for the name of the society: Pi Kappa Lambda. To Dean Lutkin was issued key number one of the society. This key is now part of the archives of Alpha Chapter, Northwestern University.

The course of the organization has been one of continuing expansion. Election to membership in Pi Kappa Lambda has been indicative of superior attainment in music, together with the personal qualifications pertaining to an outstanding exponent of the art.

In January of 1998 the Board of Regents of Pi Kappa Lambda granted Kennesaw State University permission to establish a chapter. Theta Tau chapter was formed and six charter members were selected: Dr. Donald W. Forrester, Dr. R. Wayne Gibson, Dean Joseph Meeks, Dr. Oral Moses, Dr. Michael Walters, and Professor J. David Watkins.

The first induction ceremony of Theta Tau chapter of Pi Kappa Lambda National Music Honor Society was held May 7, 1998. Seven music department students were inducted. The ceremony was presided over by Dr. Robert Blocker, Dean of the School of Music at Yale University. Current officers of the Theta Tau Chapter are Dr. Oral Moses and Prof. J. David Watkins.
