## Oglethorpe University

Oglethorpe University received a grant from the Georgia Humanities Council to fund a collaborative program involving the library, museum, and science faculty entitled *Time is an Illusion: Revisiting Einstein's Theories of Relativity*.

The program celebrate the one hundredth anniversary of Einstein's general theory of relativity. Featured in the semester long series of events is a museum exhibit of an original document—*The Experimental Confirmation of the General Theory of Relativity*—written by Einstein. Programs all focus

on linking sciences and the liberal arts and include a keynote lecture by Dr. Mark Bauerlein of Emory University, a film series featuring

Einstein with Oglethorpe faculty Dr. Mike Rulison and Dr. John Cramer leading a post film discussion, an astronomy evening with April Whitt of Fernbank Science Center, and a breakfast with lecture on the nature of time. The book discussion series used Dr. Alan Lightman's *Einstein's Dreams* as the focus. This collaborative project among three divisions of the university has been well attended, making the planning and execution of the events even more rewarding.
