In 2018, “Libraries Rock” Summer Reading Program signed up nearly 1,000 young readers and continued to promote exciting

and educationally stimulating programs through the end of July for ages 0–11 years old and the young at heart.

The Fayette County Public Library’s collection contains over 140,000 volumes of books, audio CDs, DVDs, newspapers, and magazines. The library’s goals are to serve as a role model of excellence in customer service and information delivery for all patrons, and to be utilized as the county’s information source and as a center for cultural arts in Fayette County.

The Fayette County Public Library is an affiliate of the Flint River Regional Library System. The library’s mission is to provide: current, high-interest materials and programs; materials and
