

PROBING CONVERGENCE IN ORTHOGONAL CONJUGATED POLYMER  
CATALYSIS BY T4 LYSOZYME UTILIZING BIOPHYSICAL  
CHARACTERIZATION

by

William D. Turner

Bachelor of Science (B.S.) in Biochemistry

Kennesaw State University, 2020

---

Thomas C. Leeper Laboratory

Submitted in partial fulfillment of the requirements

For the Degree of Master of Science in Chemical Sciences in the

Department of Chemistry and Biochemistry

Kennesaw State University

2022
