There's more to Records Storage than storing records!

4 reasons why Paige Miracle Box does more than store office records —

- 1 Miracle Box offers unmatched economy.**
Because of its interlocked **double walls** and floor, Miracle Box lasts ten times as long as single-walled corrugated storage files. Miracle Box never splits at corners, never warps, never sags.
- 2 Miracle Box saves your personnel's time and labor.**
Miracle Box is a completely-finished file (not a "do-it-yourself" project), sets up **instantly, automatically**—no folding, no taping, no tabbing.
- 3 Miracle Box doesn't need shelving!**
You may use shelving for semi-active records but inactive records can be stacked high **without shelving**.
- 4 Miracle Box is top quality records storage equipment.**
Made of virgin Kraft 200#-test corrugated fibreboard in the three most wanted sizes: 12" wide x 15" long x 10" high, 12" wide x 24" long x 10" high, 13" wide x 17" long x 14¼" high.
