INFORMATION FOR CONTRIBUTORS

David B. Gracy II Award

A \$200 prize is presented annually to the author of the best article in *Provenance*. Named after David B. Gracy II, founder and first editor of *Georgia Archive* (the precursor of *Provenance*), the award began in 1990 with volume VIII. It is judged by members of *Provenance*'s editorial board.

Sheila McAlister won the 2007 David B. Gracy II Award for her paper, "Designing a Preservation Survey: The Digital Library of Georgia."

Editorial Policy

Members of the Society of Georgia Archivists, and others with professional interest in the aims of the society, are invited to submit manuscripts for consideration and to suggest areas of concern or subjects which they feel should be included in forthcoming issues of *Provenance*.

Manuscripts and related correspondence should be addressed to Editor Brian Wilson, Georgia Archives, 5800 Jonesboro Road, Morrow, GA 30260; e-mail: bwilson@sos.ga.gov.

Review materials and related correspondence should be sent to Reviews Editor Randall S. Gooden, Clayton State University/Georgia Archives, c/o Georgia Archives, 5800 Jonesboro Road, Morrow, GA 30260; e-mail: RandallGooden@clayton.edu.

An editorial board appraises submitted manuscripts in terms of appropriateness, scholarly worth, and clarity of writing.

Contributors should not submit manuscripts simultaneously for publication in any other journal. Only manuscripts which have not been previously published will be accepted, and authors must agree not to publish elsewhere, without explicit written permission, a paper submitted to and accepted by *Provenance*.

Two complimentary copies of *Provenance* will be provided to all authors and reviewers.

Letters to the editor which include pertinent and constructive comments or criticisms of articles or reviews recently published by *Provenance* are welcome. Ordinarily such letters should not exceed 300 words.

Manuscript Requirements

Manuscripts should be submitted as Word documents or as unformatted ASCII-preferred documents. *Notes should be unembedded endnotes, not footnotes.*

Text, references, and endnotes should conform to copyright regulations and to accepted scholarly standards. This is the author's responsibility. *Provenance* uses *The Chicago Manual of Style*, 15th edition, and *Webster's New International Dictionary of the English Language*, 3d edition (G. & C. Merriam Co.) as its standards for style, spelling, and punctuation.

Use of terms which have special meaning for archivists, manuscripts curators, and records managers should conform to the definitions in Richard Pearce-Moses, ed., *A Glossary for Archivists, Manuscripts Curators, and Records Managers* (Chicago: SAA, 2005). Copies of this glossary may be purchased from the Society of American Archivists, 17 North State Street, Suite 1425, Chicago, IL 60602-3315; <www.archivists.org>.
